Forest lands for tribals of Kerala

2811. SHRI A. VIJAYA RAGHAVAN: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether the Kerala Government has submitted any proposal for providing forest lands to tribals;

(b) if so, the details thereof and the action taken in this regard;

(c) whether any proposal is pending with Government to change the existing laws to provide forest land for the tribals; and

(d) if so, the details thereof?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) and (b) The Government of Kerala has submitted a proposal to this Ministry during January, 2002 for diversion of 12196.1829 ha. of forest hind in Kasargodc. Kannur, Wayanad, Palakkad, Malappuram and Kozhikode districts for resettlement of landless Tribal families. As no plan for compensatory afforestation was received alongwith the proposal, the Central Government has conveyed its inability to consider the incomplete proposal.

(c) No, Sir.

(d) Does not arise.

Chemical pollutants in rivers of A.P.

2812. SHRI C. RAMACHANDRAIAH: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is fact that Government have necessary institutions to assist in monitoring the purity of river waters in Andhra Pradesh;

(b) if so, whether Government are monitoring chemical pollutants in rivers in that State; and

(c) if so, the details of such steps being taken by Government to protect rivers from pollution in the State?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) and (b) The Andhra Pradesh Pollution Control Board and the Central Pollution Control Board are monitoring the water quality of rivers in Andhra Pradesh under their Global Environmental Monitoring System(GEMS) and Monitoring of Indian National Aquatic Resources(MINARS) programmes since 1980. The monitoring includes analysis of physico-chemical parameters besides the physical, bacterial and biological parameters. The Andhra Pradesh Pollution Control Board is also monitoring the discharge of effluents from grossly polluting industries located along the rivers and lakes.

(c) River Godavari has been included under National River Conservation Plan in Andhra Pradesh. Pollution abatement works have been taken up in four towns namely, Rajamundry,
